3. A deposit of Rs. 150 should accompany each tender, which in case of the successful tenderer will be returned only after the terms of the contract are duly fulfilled.

4. The acceptance or refusal of the tenders shall entirely rest with the Registrar, Mysore University, who is not bound to accept any tender or tenders or to accept the lowest tender or to give reasons for the rejection of any tender.

5. The successful tenderer shall execute a contract bond within eight days from the date of intimation of the approval of the tender and should hold himself responsible for the due performance of the contract on pain of his deposit money being forfeited. He should also guarantee the soundness and efficiency of the articles supplied for a period of one year. In case of default his tender will be considered cancelled, and his earnest money will be forfeited.

6. In all cases of dispute relating to the soundness of the articles, the decision of the Registrar shall be final.

THOS. DENHAM,
Registrar.

WATER-SUPPLY DIVISION.

Notice dated 16th September 1916.

1. Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Water-Supply Division up to 12 noon of 6th November 1916, for "Extending the Engine House at Soldevanhalli Pumping Station." An approximate estimate of the quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1917.

2. The plans, detailed estimates and conditions may be seen in the Executive Engineer's Office between the hours 11 A.M. and 5 P.M. on all working days.

3. Tenders should be submitted on proper printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 250 in cash or in Government Promissory notes as earnest money and be superscribed "Tenders for extending the Engine House at Soldevanhalli Pumping Station" in default of which tenders will be rejected.

5. The final acceptance of the tender rests with the Superintending Engineer, Southern Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tenders.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled and the earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the "Notice board" in the Executive Engineer's office, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, earnest money of rejected tenders will be returned.

9. An abstract estimate for constructing additional rooms is given below.

JOHN BHORE,
Executive Engineer.

BANGALORE DIVISION.

Abstract Notification.

The attention of the public is invited to the notificatian published in the *Mysore Gazette*, dated the 28th September 1916, pages 735 and 736, Part IV, calling for tenders to construct "New Public Offices in the Cenotaph Road, Bangalore."

Dated 2nd October 1916.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 1 P.M. of the 16th October 1916, for Improving Sandal Koti building, Fort, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of April 1917.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tender should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees two hundred and fifty (Rs. 250) in cash, as earnest money, and be superscribed "Tender for improving Sandal Koti building, Fort, Bangalore," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
